Terms and Conditions for Self Administered Personal Retirement Bond

Description

The self administered Personal Retirement Bond (PRB) is a pension arrangement approved by The Revenue Commissioners (Revenue) under Chapter 1 Part 30 Taxes Consolidation Act 1997 and no benefits payable by this policy shall be capable of being surrendered, commuted or assigned except as permitted by this Act. The PRB is used to accept the value of a former occupational scheme member's retirement benefits into the control of the bondholder or can accept a transfer from another PRB. The Revenue preclude any alterations to the PRB without their prior approval. The PRB is subject to the rules of the original scheme and the governing legislation.

Control of Assets

Wealth Options Ltd will be a co-signatory on all bank accounts and will be permitted to operate the bank mandate without a dual signature to collect certain items i.e. fees &/or taxes. Assets may be held in an exempt unit trust (see warning on page 2).

Investment Management

The Trustees responsible for the occupational pension scheme will transfer the value of your occupational pension scheme to your PRB. You will then be able to give instructions as to how the assets are invested. Wealth Options Ltd (WOL) will act as investment manager for the PRB but will not offer any investment advice. However, WOL accepts no responsibility for investment losses which may occur. All investment carries risk.

Liability of Wealth Options Ltd (WOL)

WOL shall not be responsible for any loss or damage, whatsoever or howsoever occurring, or for any depreciation in value howsoever arising by reason of the exercise or non-exercise of the powers or discretion hereby imposed on or undertaken by WOL or any diminution in the value of securities or any part thereof or by reason of the securities or any part thereof failing to appreciate in value or failing to produce any return on the capital invested save for any loss or damage resulting directly from Wealth Options fraud, wilful default or negligence.

Valuation

In the event of a claim arising on death, retirement or transfer, the value of the fund will be the cash value obtained in respect of each stock or investment.

Liquidity of fund

We require that a minimum of 7.5% of your portfolio be held in cash and/or liquid investments, as well as sufficient cash to cover any pension levies payable.

Fees

An annual management charge as indicated on the second page of this application of the value of the assets of the fund, subject to a minimum of €500 per annum, will be levied in advance. The fee will be paid by deduction from the fund. However, if for any reason it becomes impossible to collect the charge or the pension levy, we reserve the right to sell assets in the fund, sufficient to cover these charges and attaching costs.

Declaration

The PRB booklet forms part of the contract for the Personal Retirement Bond and by completing the application form you are confirming that you have read and understood the booklet.

Personal Retirement Bond Investment Restrictions

As the bondholder directing the investment of your Personal Retirement Bond, you should be aware of certain investment restrictions which apply to your fund.

These restrictions arise from:

- The Revenue Commissioners, as a condition of approval of your fund. Contravening these restrictions could trigger the removal of the asset from your PRB; these investments are therefore prohibited for your fund.
- Tax legislation (s779A Taxes Consolidation Act 1997) which make certain investment transactions by your fund not tax efficient for you, by causing a forced withdrawal from the fund of the assets and funds involved, together with an associated tax charge for you. As such a transaction would not be in your best interests, these investment transactions should also be considered to be prohibited for your fund.

Prohibited investments

The following investments and transactions are therefore **prohibited** for your bond:

- **Buying assets from or selling assets to yourself, or anyone connected with¹ you.**
- **Buying assets from your previous employer or associated companies;**
- **A loan from your fund to yourself or to anyone connected with you, including to your previous employer;**
- **Shares, loans, debentures, etc. in your previous employer's business;**
- **Tangible moveable assets, such as works of art, wine, gold, jewellery, cars, yachts, racehorse, technology devices, etc.**
- **Residential or holiday properties, to be used by you or by anyone connected with you for this purpose;**
- **Commencement of the personal use by you, or by anyone connected with you, of a residential or holiday property previously held by the fund as an arm's length investment;**
- **Commencement of the use for business purposes by you, or by anyone connected with you including your previous employer and associated companies, of a property previously held by the fund as an arm's length investment;**
- **Shares, loan notes, debentures, etc. in a company which is a 'close company'², at a time when you, or anyone connected with you, is already an investor in that company;**
- **Shares in a private company whose value would exceed 5% of the fund's assets or 10% of the private company's share capital;**
- **The acquisition of a property where any one of the following would apply:**
 - The vendor is not at arm's length to you or your previous employer and associated companies;
 - The property is to be held for only a short period and then sold on;
 - The property is to be used in a business you are involved in, or anyone connected with you is involved in, or in your previous employer's business;
 - The property is to be developed and then sold on, within a short period;
 - An overseas property³;
 - The purchase of the property would leave insufficient liquidity in your fund to provide benefits on retirement and death;
 - Any renovation or works carried out on a property held within the PRB must be completed on an "arms-length" basis i.e. by providers, contractors etc that have no connection to the bondholder. Invoices should be paid by the builder / contractor and included in the invoice to the PRB for the works and paid directly from the pension fund. All invoices must be issued to the PRB name and addressed to the property address.
- **An investment (including joint investment with others) in an investment fund where someone connected with you is an investor and there is an arrangement by which the value of that other person's holding in the fund can increase at the expense of the value of your fund's holding in the fund.**

¹ The term 'connected with' is very wide; see overleaf for a more detailed explanation

² The term 'close company' is explained in more detail overleaf

³ Overseas properties are allowed in certain circumstances, subject to a number of restrictions

Personal Retirement Bond Investment Restrictions

'Connected with'

Certain investments and transactions involving persons 'connected with' you are, as outlined above, prohibited. For this purpose, the following are deemed to be 'connected with' you

- Your spouse or civil partner;
- Your relatives, i.e. your brother, sister, parents, grandparents, children, grandchildren, aunt, uncle, niece or nephew;
- The spouse or civil partner of a relative of yours, as above. E.g. your grandchild's spouse is connected with you.
- A relative of your spouse or civil partner, i.e. your spouse's brother, sister, parents, grandparents, children, grandchildren, aunt, uncle, niece or nephew; e.g. your father in law is connected with you.
- The spouse or civil partner of a relative of your spouse or civil partner, as above. E.g. your sister in law is connected with you.
- A company where you (possibly in conjunction with others connected with you) have control over that company; and
- A business partner of yours, including their spouse or civil partner and relatives.

Individuals who are connected with you

Close company

Investments by your fund in a close company (or in a company which would be a close company if resident in the State) are prohibited if you or anyone connected with you are already an investor, e.g. shares or loans, in that company.

For this purpose a 'close company' is defined in s10 Taxes Consolidation Act 1997 and includes a company:

- under the control of five or fewer investors in the company; or
- under the control of its directors who are all investors in the company.

Most Irish resident companies are 'close' companies. A company owned by a small number of individuals or a family company will likely be a close company. However most companies listed on the stock exchange will likely not be close companies.

Important

We believe this list of prohibited investments to be correct as at April 2017. However Revenue Practice and tax legislation can change over time and hence the list of prohibited investments can change from time to time.

Warning: Please note that the provision of this product or service does not require licensing, authorisation, or registration with the Central Bank and, as a result, it is not covered by the Central Bank's requirements designed to protect consumers or by a statutory compensation scheme.
